## COMPANY

Borgini Jersey srl was set in Como - Italy in 1973. Nowadays Borgini Jersey is one of the main high tech jersey producers of fabrics for sport, fitness and swimwear. We are offering to customers innovation, quick response on customized projects and a constant research for fashion designs.

## PRODUCTS

Ultra-thin technical articles with an excellent shaping rate for a perfect fit which boosts micro circulation and promotes the right muscle oxygenation, pilling resistant, UPF 50+, quick drying. We are specialist in placed designs and high fashion combination of pattern for swimwear and beach dresses.

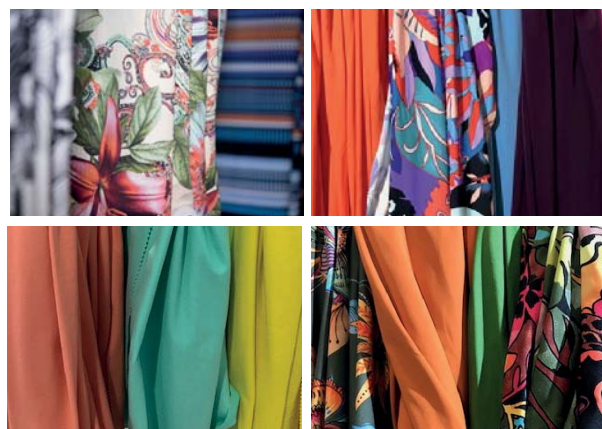

## COLLECTION

60 shades available from stock color card, with specification of all tested color fastness and technical performances. We are offering also a range of articles for Yoga, Athleisure and Sportswear. We offer 3D digital prints, special techniques as foils and transparent, wet effects. Our design studio can develop customers' designs and follow up any requested change.

Our new foil and laminated articles are innovative and fashionable, we feature them also in fluo colors for the coming season.

# CLERICI TESSUTO & C. S.P.A. - div. Beach&Body

[www.clericitessuto.it](http://www.clericitessuto.it)

2<sup>nd</sup> FLOOR - SUITE 207

## COMPANY

Clerici Tessuto & C. S.p.A., founded in 1922, is one of the most important textile companies in the world for luxury (around 350 employees), with ranges for men and women outerwear, underwear and beachwear, ready-made accessories and home furnishings.

## PRODUCTS

From solid, yarn-dyed/piece-dyed and printed fabrics for outerwear to jacquard and printed fabrics for home furnishings; from soft printed microfibers for swimwear to printed and piece-dyed fabric blends for resort wear; from chiné fabrics to ready-made scarves and ties.

## PRODUCTION

Samples: minimum 1 mt, delivery time 1 week.  
Production: minimum 35 mts, delivery time 4 weeks.  
Clerici Tessuto is certified GOTS, OEKO-TEX, GRS, FSC.

## COLLECTION

The new collection Beach & Body features a wide selection of coordinated swimwear and resort wear fabrics, characterized by up-to-date and refined designs. The main inspiration always comes from the historical archive of Clerici Tessuto & C. The new collection features hand-painted patterns on microfibers and silk blends, animal prints, revisited ethnic designs which end up into geometric on jacquard and fil coupé, micro and macro flowers on cotton and viscose muslins.

## COMPANY

Founded in 1979 as a craft elastic sheet cutting factory, nowadays FRATELLI LEONI is a leader in the production of high quality rubber elastic tapes for garment industry.

## PRODUCTS

Elastic rubber tapes for swimwear - sportswear & activewear - underwear - intimate apparels, corsetry & lingerie - home textiles - carrycots & pushchairs - shoe covers - masks - baby bibs - ankle socks.

All our products are certified Standard 100 by OEKO TEX, product class 1 (for babies).

## COLLECTION

Power Elastic Tape: excellent resistance to medium/high temperature wash, elasticity and strength for long-life and high performance. Extremely versatile product combining top quality at a competitive price. Widely appreciated in the production of swimwear.

Flex Elastic Tape: highly elastic product that offers the utmost comfort. Particularly recommended for sportswear & activewear. Excellent metric yield and extreme resistance to high temperature wash.

Insider Elastic Polyurethane Tape - transparent & black: it guarantees great elasticity and allows elastic and ultra-flat seams that do not weigh garments down. It is ideal for providing support to lighter fabrics.

# LIBERTY FABRICS

3<sup>rd</sup> FLOOR - SUITE 303

## COMPANY

Liberty Fabrics has an archive of over 45,000 artworks dated from 1875 and continues to create original textiles from its design studio on London's iconic Regent Street. A focus on colour and detail ensures the rich heritage of Liberty design lives on.

## PRODUCTS

Liberty Fabrics has been creating iconic designs for many years, with a new collection of around 40 designs each season, the majority of fabrics are printed with these designs. New this season we have expanded our offering of plain dyed fabric onto our famous Tana Lawn and Silks.

## PRODUCTION

Minimum orders are 300 mts.  
Designed in London. Printed in Italy.

## COLLECTION

Liberty Fabrics in-house studio presents the Private View collection for Autumn/Winter 2020, infusing modern flair into the heart of the Liberty design DNA. Private View is split into four 'gallery' stories, reflecting a long-standing commitment to the arts. Each room of this imagined art gallery represents a different facet of the Liberty Fabrics story – from Arts and Crafts heritage motifs to lushly detailed floral studies, witty conversational pieces and archival Eastern-inspired textile designs.

# LYMA INTERNATIONAL S.R.L.

[www.lymainternational.com](http://www.lymainternational.com)

3<sup>rd</sup> FLOOR - SUITE 305

## COMPANY

Lyma International, based in Como - Italy, is a modern company specialized in printing fabrics, including a printing and finishing plant.

Lyma features a leading-edge technological and creative dept. to achieve the best results and quality using inkjet/digital printing technology.

## PRODUCTS

We are able to print in house and with high quality results our clients ideas and designs on any kind of fabric. Lyma is also specialized in special printing effects like foils, printed surfaced fabrics, embossed patterns, glitters and more. All prints and techniques are especially developed and tested for swimwear.

## PRODUCTION

Min.:70 mts per design/color.

Lead time: 1 week for strike offs

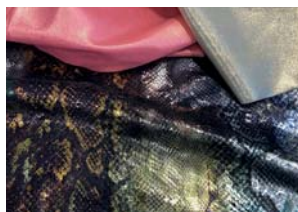

Production: 4 weeks from OC date

## COLLECTION

A Woman oriented collection with a high end feeling. Prints: Animalier and Tropical Blooms and Leaves, Valentino New Cruise optical and chic color combinations. Pucci influence and Arty prints. Chic placed designs and their all-over to create a coordinated beachwear. Lyma masters the Print Effects like Foil, Glitter and also proposes laminated surfaced fabrics with a great WOW factor for swimwear. Nice textures and a soft hand feeling add a plus to our collection. Lyma's Green factor: our collection is printed on Recycled Polyamide fabrics from Jersey Lomellina and Carvico. Our style office will help you realize your fabric project and print your strike offs in a very short time.

# MAGLIFICIO RIPA S.P.A.

[www.maglificioripa.it](http://www.maglificioripa.it)

## COMPANY

Founded in 1952 the company has always specialized in quality. Maglificio Ripa has its own design department. Production is geared towards defined sectors: swimwear, lingerie and underwear, sportswear and outerwear: solid fabrics, dyed yarn, jacquard, prints. Fabrics distributed in all major markets Europe, USA, Asia.

## PRODUCTS

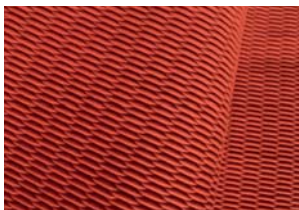

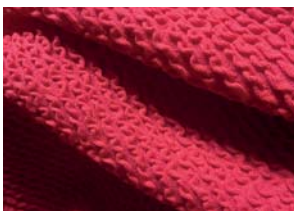

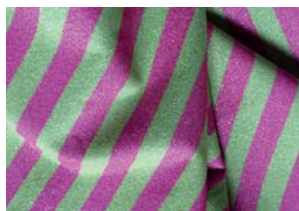

Beautiful solids in 44 gauge single jerseys in nylon-spandex, unique fancy jacquards, ribs and ottomans. Gorgeous gold, bronze and silver Lurex liven things up. Multi-color panel stripes and allover stripes on smooth or fancy grounds. Eco-friendly products for prints and fancy solids.

## COLLECTION

Swim: the main statement in our 2021 Swim range is "color"; bold, bright and variegated. For the young market yellows, pinks and greens are our favorites both in prints, solids and jacquards. Lurex too plays an important role; silver for a sparking fresh look and gold and bronze for more mature, dramatic styles. Simplified animal prints are still there and dots too. Florals are big and lush and a sophisticated interpretation of the Nautical theme is on show. Super-colorful Jacquards are the real highlight for Ripa in solids, stripes and panels. We will be presenting a small range of solids, jacquards and prints in eco-friendly materials.

# MAURI ANGELO S.R.L.

[www.mauriangelo.it](http://www.mauriangelo.it)

## COMPANY

Mauri Angelo Srl has been producing Cluny Laces in Italy since 1924 and is still one of the longest-running European company in this sector. High-standard quality customer care and creativity, tailored designs for Apparel, Lingerie, Swimwear and Beachwear, have allowed us to reach a high-profile position in Europe.

## PRODUCTS

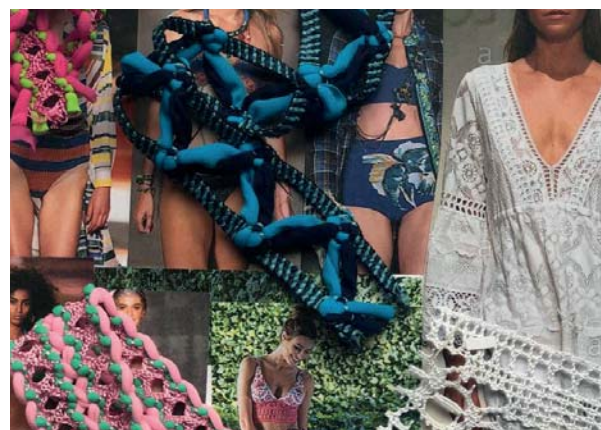

Stretch lace trims, trimmings, pipings, stretch braids, fringes, patchworks of laces and embroideries. We use natural fibers such as cotton, rayon, flax as well as Nylon and Polyester yarn dyed. All the fibers we use are especially tested to be resistant to pool and sea water.

## COLLECTION

The new Swimwear collection includes many references to the Italian artisanal know-how. A new Crochet style is developed by using stretch cords and pipings or even Lycra stripes that draw crossings and scalloped trims, all is articulated in a variety of colours matching the plain or printed. A particular emphasis is given to the metallic effects with a new range of brilliant laminated colors that can be customized. Our whites are now iridescent with references to the 80s. Stretch Fagotting trims and Ajoures can be realized in various widths following the customer inputs. The Beachwear Collection consists of Cluny laces in many widths and thickness, Embroideries in patchwork with laces and colored rigid and stretch fringes and pon pon. Mauri Angelo products are certified OEKO TEX CLASS 1.

[www.ratti.it](http://www.ratti.it)

## COMPANY

Ratti was founded in 1945 in the textile district of Como - Italy. Since the beginning became one of the most important leading producer of fabrics for womenswear, furnishing and accessories in silk and other natural high quality fibers.

## PRODUCTS

Ratti offers: more than 30 items designated on the basis of natural fiber (organic silk gots, organic cotton gots, linen, hemp), artificial fibers (lyocell and viscose FSC), synthetic fibers (new life, recycled polyester, recycled and regenerated nylon) and responsible leather.

## COLLECTION

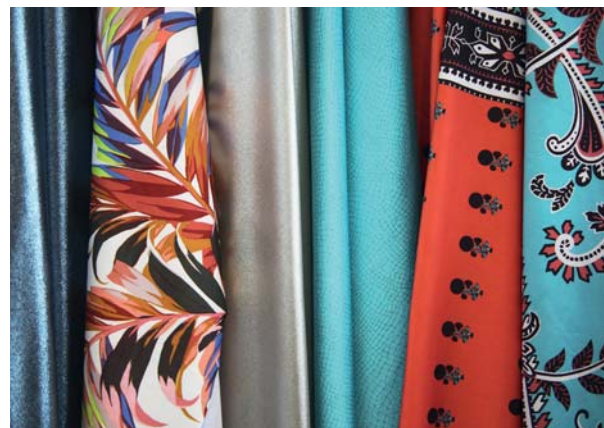

Setamarina is a masterful example of an incredible spread of emotions through the fabrics waves with vibrant colours like tonal kaki, full indigo or toffee and elegant combinations of ethnochic or romantic flowers designs.

Young represents a personal interpretation of the digital fashion 4.0, marking a distinctive change thanks to the vibrant energy of the rainbow colors on glittery lurex, mesh jacquard or velvet with clean graphic lines together for a sophisticated melting pot of styles.

Uomo offers a total look declined into varying models extremely simple to wear thanks to the fluidity of cotton and linen, dedicated both to a man with a strong digital personality but also to a gentleman with his natural passion for blue and graphic element movements.

## COMPANY

Founded, more than 50 years ago, Rocle by Isabella decided in 2007 to devote his know-how only to the lingerie and beachwear sector. Our activity is to develop printed knitted fabrics and woven jacquard fabrics. All of our factories and our production are made in France.

## PRODUCTS

We print on different types of knitted fabric such as polyester, polyamide, cotton. As we are concerned by the environment of our planet, we have introduced in our collection recycled yarn. Our jacquard fabrics are yarn-dyed or woven-dyed in bi-stretch and mono-stretch.

## PRODUCTION

Our MCQ and our MOQ are 350 mts for the printing of knitted fabric and woven jacquards fabric.

## COLLECTION

With intense colors, **Graphic Paradise** propose structured designs. The sophisticated style of this line with a touch of lurex is perfect for creating swimsuits in a haute couture spirit.

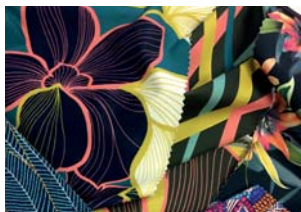

**Pool side:** with designs inspired by the beach (sea, shell and wave design) and its sweet colors. An invitation for holidays in a retro spirit.

**Exotic trip:** Leopard, Zebra, snake. A departure for the adventure with spicy colors as terra-cotta, aubergine...

**Activwear line:** a perfect mix between elegance and comfort.

## COMPANY

Established in 1933 in the textile district of Como - Italy, pioneer manufacturer of high quality stretch woven fabrics since '80s.

Four product lines: CULT, fancy shirting fabrics; TNA33 Luxury Denim fabrics; BLU fabrics for beachwear and lingerie; KINETECH ergonomic fabrics for high performance sports.

## PRODUCTS

Men: stretch and non-stretch bases. Micro-vichy, checks, solid colors, geometric, flowers design, small details and paisley motifs. Women: dobby and jacquard structures, classical checks and seersucker effects. Ink-jet prints on woven or knitted jersey or in coordination with our premium yarn-dyed grounds.

## PRODUCTION

Bulk orders: 4/6 weeks.

Min bulk order 100 mts/col.

Certified ISO 9001:2018 for higher quality standard and ISO 14001:2018 for Environmental management. OEKO-TEX, ZDHC

## COLLECTION

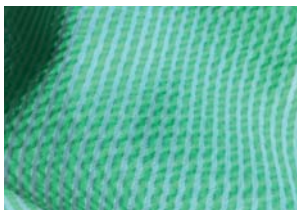

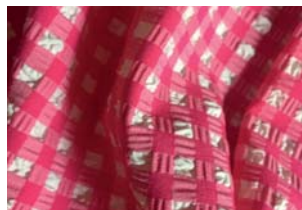

WOMEN: bi-stretch fabric with a development on geometric patterns ranging from micro-checks to three-dimensional pure, textured and seersuckers. Laminated yarns that light up and enhance the textures. Jacquards are the spearhead for material effects.

MEN: yarn dyed with micro and macro motifs, from small to large relationships. And then fil coupé with subjects from the Sixties inspired by hippies and jacquard with reflective yarn. Do not miss the study developed for the 2020 Olympics with a series of prints on extra-glossy fabric with inspired geometries and macro reports.

A wide preview of Summer 2021 collection will be available at Mare di Moda MIAMI.
