# CLERICI TESSUTO S.P.A. - div. Beach&Body

[www.clericitessuto.it](http://www.clericitessuto.it)

## COMPANY (ITALY)

Clerici Tessuto, founded in 1922, is one of the most important textiles manufacturers in the world for the luxury sector, with ranges for men's and women's clothing, beachwear, accessories and home furnishing. The company – more than 300 employees – manufactures, finishes, transforms and sells more than 4mil. mt. of fabric per year, for 2.500 customers in 70 countries.

## PRODUCTS

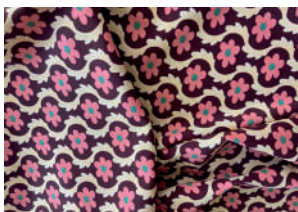

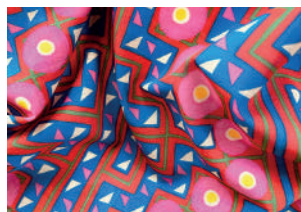

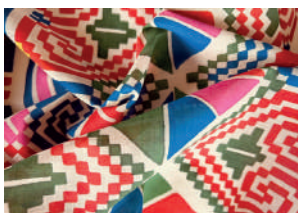

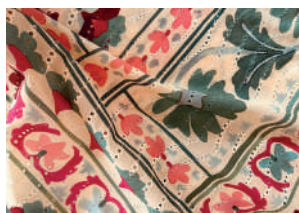

Yarn-dyed, piece-dyed, jacquard and printed fabrics; ready-made accessories. Customized fabrics, designs and colorways.

## COLLECTION

Technical and aesthetic research is the leitmotif of the new Clerici Tessuto Beach&Body Summer 2025 collection: a proposal characterized by the use of cutting-edge fabrics in terms of both functionality and attention to environmental sustainability. The swimwear proposal includes recycled and GRS-certified polyester microfibers and bright lurex microfibers. The wide selection for resort wear includes silky-inspired fabrics such as GOTS-certified organic silk chiffon and FSC-certified viscose crepe de chine alternating with more textural and cottony items such as GOTS-certified organic gauze jacquard, flamed and sangallo cotton canvases, and European Flax-certified linen. The collection is organized into four macro themes: Gipsy Folk, floral and cashmere designs that match alternating neutral colors and cool pastels; Mexican, simple designs in bright tones alternating with summer classics; Ethnic, hand-painted patterns and unusual color contrasts; Art Deco, 1920s-inspired wallpapers revised in the color.

# MAGLIFICIO RIPA S.r.l.

[www.maglificioripa.it](http://www.maglificioripa.it)

## COMPANY (ITALY)

Founded in 1952 the company has always specialized in quality. Maglificio Ripa has its own design department. Production is geared towards defined sectors: swimwear, lingerie and underwear, sportswear and outerwear: solid fabrics, dyed yarn, jacquard, prints. Fabrics distributed in all major markets Europe, USA, Asia.

## PRODUCTS

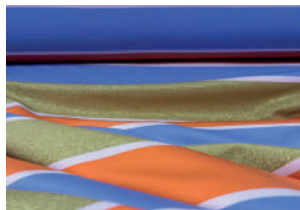

Beautiful solids in 44 gauge single jerseys in nylon-spandex, unique fancy jacquards, ribs and ottomans. Gorgeous gold, bronze and silver Lurex liven things up. Multi-color panel stripes and allover stripes on smooth or fancy grounds. Eco-friendly products for prints and fancy solids.

## COLLECTION

The Splash 2025 collection is a compelling tale that unfolds through a thousand stories all connected in the modern exaltation of Maglificio Ripa's classics. Fabrics light up with tonal Lurex, at ease at the beach or on warm summer evenings. Sophisticated gleams lend an ever-changing glow to surfaces. Colors are full and intense, enveloping like a hug. Cool or warm, light or bold. Earthy hues contrast 90s pop colors in a cocktail to be drunk all at once. Stripes, another classic Ripa tradition, are inspired by the vintage language of the 1960s, defined and full to enhance the contrasts. The surfaces are shiny and fast, welcoming and determining in a clever play of solids and voids.

## ECO
